

Memorandum

Date: December 3, 2013

To: Honorable Chairwoman Rebecca Sosa
and Members, Board of County Commissioners

Agenda Item No. 8(F)(6)

From: Carlos A. Gimenez
Mayor

Subject: Recommendation for Approval to Establish a Pier Check-In Services Pool

Recommendation

It is recommended that the Board of County Commissioners (Board) approve the establishment of *Contract No. 869, Pier Check-In Services Pool* for PortMiami. The County will offer, through the pool of recommended vendors, services to cruise lines that include providing embarkation and debarkation staff to process passengers, coordination with governmental agencies, processing of passengers for boarding, and producing turnaround reports and passenger manifests. When the need for the services becomes available, a competitive Work Order Proposal Request will be issued to all pool members.

In January 2009, Norwegian Cruise Line (NCL) and the County entered into a Cruise Terminal Agreement (CTA) through Resolution R-1442-08. This agreement set forth the terms and conditions under which NCL would homeport its vessels at PortMiami. In April 2012, the Board approved Resolution R-295-12, which authorized the execution of an Amendment to the CTA, which extended the term of the CTA, increased passenger guarantees, and provided incentives for NCL to homeport its Norwegian Gateway year-round in Miami. Among these incentives was the County's commitment to establish a pool of qualified screening or pier check-in service providers. Participation in the pool will be an available option to all cruise lines at PortMiami. A separate access agreement will be required for each individual cruise line accessing the pool, which will require separate Board approval.

Scope

The impact of this item is countywide in nature as PortMiami is a regional asset and generates employment for residents throughout the County.

Fiscal Impact and Funding Source

The contract is for three years, with two, one-year options-to-renew. The allocation for the initial three-year term is \$12,600,000, and the two option-to-renew periods are \$4,200,000 per year, totaling \$21,000,000 if the option-to-renew periods are exercised. These figures are based on the estimated gross cost of these services to meet projected needs of the cruise lines.

The contract will be cost neutral to the County as all expenses incurred as a result of contracting with the selected pool member following award of a work order is billed to the cruise lines. There is no financial impact to the County as all costs will be incurred by the cruise lines. An administrative fee, in the amount of \$350 per vessel call, will be assessed by PortMiami to each cruise line that utilizes the pier check-in services.

Track Record/Monitor

The contract manager for PortMiami is Hydi Webb. Lydia Osborne of the Internal Services Department is the Procurement Contracting Officer.

Delegated Authority

Upon approval of this item, a pool of pre-qualified vendors will be established to participate in spot market competitions. The County Mayor or the County Mayor's designee will have the authority to solicit pricing and award contracts up to an aggregate contract amount of the allocation authorized by the

Board. Additionally, the County Mayor or the County Mayor's designee may add qualified vendors to the pool at any time during the term of the contract, subject to bi-annual ratification by the Board. If this item is approved, the County Mayor or County Mayor's designee will have the authority to exercise, at their discretion, contract modifications and extensions in accordance with the terms and conditions of the contract.

Vendor Recommended for Inclusion in the Pool

A Request for Qualifications was issued under full and open competition on June 27, 2013. Four proposals were received and evaluated. Based on the evaluation criteria set forth in the solicitation, the Evaluation/Selection Committee recommended all four responsive and responsible firms for inclusion in the pool.

In accordance with Miami-Dade County Implementing Order 3-9, Accounts Receivable Adjustments, if money is owed by the Contractor to the County, whether under this Contract or for any other purpose, the County reserves the right to retain such amount from payment due by County to the Contractor under this Contract. Such retained amount shall be applied to the amount owed by the Contractor to the County. The Contractor shall have no further claim to such retained amounts which shall be deemed full accord and satisfaction of the amount due by the County to the Contractor for the applicable payment due herein.

Invoices and associated back-up documentation shall be submitted in duplicate by the Contractor to the County as follows:

Miami-Dade County

ARTICLE 10. INDEMNIFICATION AND INSURANCE

The Contractor shall indemnify and hold harmless the County and its officers, employees, agents and instrumentalities from any and all liability, losses or damages, including attorneys' fees and costs of defense, which the County or its officers, employees, agents or instrumentalities may incur as a result of claims, demands, suits, causes of actions or proceedings of any kind or nature arising out of, relating to or resulting from the performance of this Agreement by the Contractor or its employees, agents, servants, partners principals or subcontractors. The Contractor shall pay all claims and losses in connection therewith and shall investigate and defend all claims, suits or actions of any kind or nature in the name of the County, where applicable, including appellate proceedings, and shall pay all costs, judgments,

and attorney's fees which may issue thereon. The Contractor expressly understands and agrees that any insurance protection required by this Agreement or otherwise provided by the Contractor shall in no way limit the responsibility to indemnify, keep and save harmless and defend the County or its officers, employees, agents and instrumentalities as herein provided.

Upon County's notification, the Contractor shall furnish to the Internal Services Department, Procurement Management Division, Certificates of Insurance that indicate that insurance coverage has been obtained, which meets the requirements as outlined below:

1. Worker's Compensation Insurance for all employees of the Contractor as required by Florida Statute 440.

The insurance coverage required shall include those classifications, as listed in standard liability insurance manuals, which most nearly reflect the operation of the Contractor. All insurance policies required above shall be issued by companies authorized to do business under the laws of the State of Florida with the following qualifications:

The company must be rated no less than "A" as to management, and no less than "Class VII" as to financial strength by Best Insurance Guide, published by A.M. Best Company, Oldwick, New Jersey, or its equivalent, subject to the approval of the County Risk Management Division.

OR

The company must hold a valid Florida Certificate of Authority as shown in the latest "List of All Insurance Companies Authorized or Approved to Do Business in Florida", issued by the State of Florida Department of Financial Services and are members of the Florida Guaranty Fund.

Compliance with the foregoing requirements shall not relieve the Contractor of this liability and obligation under this section or under any other section in this Agreement.

Award of this Contract is contingent upon the receipt of the insurance documents, as required, within ten (10) business days. If the insurance certificate is received within the specified timeframe but not in the manner prescribed in this Agreement, the Contractor shall have an additional five (5) business days to submit a corrected certificate to the County. If the Contractor fails to submit the required insurance documents in the manner prescribed in this Agreement within fifteen (15) business days, the Contractor shall be in default of the contractual terms and conditions and award of the Contract may be rescinded, unless such timeframe for submission has been extended by the County.

The Contractor shall be responsible for ensuring that the insurance certificates required in conjunction with this Section remain in force for the duration of the contractual period of the Contract, including any and all option years or extension periods that may be granted by the County. If insurance certificates are scheduled to expire during the contractual period, the Contractor shall be responsible for submitting new or renewed insurance certificates to the County at a minimum of thirty (30) calendar days in advance of such expiration. In the event

that expired certificates are not replaced with new or renewed certificates which cover the contractual period, the County shall suspend the Contract until such time as the new or renewed certificates are received by the County in the manner prescribed herein; provided, however, that this suspended period does not exceed thirty (30) calendar days. Thereafter, the County may, at its sole discretion, terminate this contract.

ARTICLE 11. MANNER OF PERFORMANCE

The Contractor agrees that such removal of any of its employees does not require the termination or demotion of any employee by the Contractor.
- b) The Contractor agrees to defend, hold harmless and indemnify the County and shall be liable and responsible for any and all claims, suits, actions, damages and costs (including attorney's fees and court costs) made against the County, occurring on account of, arising from or in connection with the removal and replacement of any Contractor's personnel performing services hereunder at the behest of the County. Removal and replacement of any Contractor's personnel as used in this Article shall not require the termination and or demotion of such Contractor's personnel.
- c) The Contractor agrees that at all times it will employ, maintain and assign to the performance of the Services a sufficient number of competent and qualified professionals and other personnel to meet the requirements to which reference is hereinafter made. The Contractor agrees to adjust its personnel staffing levels or to replace any its personnel if so directed upon reasonable request from the County, should the County make a determination, in its sole discretion, that said personnel staffing is inappropriate or that any individual is not performing in a manner consistent with the requirements for such a position.

- e) The Contractor shall at all times cooperate with the County and coordinate its respective work efforts to most effectively and efficiently maintain the progress in performing the Services.
- f) The Contractor shall comply with all provisions of all federal, state and local laws, statutes, ordinances, and regulations that are applicable to the performance of this Agreement.

ARTICLE 12. EMPLOYEES OF THE CONTRACTOR

All employees of the Contractor shall be considered to be, at all times, employees of the Contractor under its sole direction and not employees or agents of the County. The Contractor shall supply competent employees. Miami-Dade County may require the Contractor to remove an employee it deems careless, incompetent, insubordinate or otherwise objectionable and

whose continued employment on County property is not in the best interest of the County. Each employee shall have and wear proper identification.

ARTICLE 13. INDEPENDENT CONTRACTOR RELATIONSHIP

The Contractor is, and shall be, in the performance of all work services and activities under this Agreement, an independent contractor, and not an employee, agent or servant of the County. All persons engaged in any of the work or services performed pursuant to this Agreement shall at all times, and in all places, be subject to the Contractor's sole direction, supervision and control. The Contractor shall exercise control over the means and manner in which it and its employees perform the work, and in all respects the Contractor's relationship and the relationship of its employees to the County shall be that of an independent contractor and not as employees and agents of the County.

The Contractor does not have the power or authority to bind the County in any promise, agreement or representation other than specifically provided for in this Agreement.

ARTICLE 14. AUTHORITY OF THE COUNTY'S PROJECT MANAGER

- a) The Contractor hereby acknowledges that the County's Project Manager will determine in the first instance all questions of any nature whatsoever arising out of, under, or in connection with, or in any way related to or on account of, this Agreement including without limitations: questions as to the value, acceptability and fitness of the Services; questions as to either party's fulfillment of its obligations under the Contract; negligence, fraud or misrepresentation before or subsequent to acceptance of the Contractor's Proposal; questions as to the interpretation of the Scope of Services; and claims for damages, compensation and losses.
- b) The Contractor shall be bound by all determinations or orders and shall promptly comply with every order of the Project Manager, including the withdrawal or modification of any previous order and regardless of whether the Contractor agrees with the Project Manager's determination or order. Where orders are given orally, they will be issued in writing by the Project Manager as soon thereafter as is practicable.
- c) The Contractor must, in the final instance, seek to resolve every difference concerning the Agreement with the Project Manager. In the event that the Contractor and the Project Manager are unable to resolve their difference, the Contractor may initiate a dispute in accordance with the procedures set forth in this Article. Exhaustion of these procedures shall be a condition precedent to any lawsuit permitted hereunder.
- d) In the event of such dispute, the parties to this Agreement authorize the County Mayor or designee, who may not be the Project Manager or anyone associated with this Project, acting personally, to decide all questions arising out of, under, or in connection with, or in any way related to or on account of the Agreement (including but not limited to claims in the nature of breach of contract, fraud or misrepresentation arising either before or subsequent to execution hereof) and the decision of each with respect to matters within the County Mayor's purview as set forth above shall be conclusive, final and binding on parties. Any such dispute shall be brought, if at all, before the County Mayor within 10 days of the occurrence, event or act out of which the dispute arises.
- e) The County Mayor may base this decision on such assistance as may be desirable, including advice of experts, but in any event shall base the decision on an independent

and objective determination of whether Contractor's performance of any Deliverable meets the requirements of this Agreement and any specifications with respect thereto set forth herein. The effect of any decision shall not be impaired or waived by any negotiations or settlements or offers made in connection with the dispute, whether or not the County Mayor participated therein, or by any prior decision of others, which prior decision shall be deemed subject to review, or by any termination or cancellation of the Agreement. All such disputes shall be submitted in writing by the Contractor to the County Mayor for a decision, together with all evidence and other pertinent information in regard to such questions, in order that a fair and impartial decision may be made. Whenever the County Mayor is entitled to exercise discretion or judgement or to make a determination or form an opinion pursuant to the provisions of this Article, such action shall be fair and impartial when exercised or taken. The County Mayor, as appropriate, shall render a decision in writing and deliver a copy of the same to the Contractor. Except as such remedies may be limited or waived elsewhere in the Agreement, Contractor reserves the right to pursue any remedies available under law after exhausting the provisions of this Article.

ARTICLE 15. MUTUAL OBLIGATIONS

- a) This Agreement, including attachments and appendices to the Agreement, shall constitute the entire Agreement between the parties with respect hereto and supersedes all previous communications and representations or agreements, whether written or oral, with respect to the subject matter hereto unless acknowledged in writing by the duly authorized representatives of both parties.
- b) Nothing in this Agreement shall be construed for the benefit, intended or otherwise, of any third party that is not a parent or subsidiary of a party or otherwise related (by virtue of ownership control or statutory control) to a party.
- c) In those situations where this Agreement imposes an indemnity obligation on the Contractor, the County may, at its expense, elect to participate in the defense if the County should so choose. Furthermore, the County may at its own expense defend or settle any such claims if the Contractor fails to diligently defend such claims, and thereafter seek indemnity for costs from the Contractor.

ARTICLE 16. QUALITY ASSURANCE/QUALITY ASSURANCE RECORD KEEPING

The Contractor shall maintain, and shall require that its subcontractors and suppliers maintain, complete and accurate records to substantiate compliance with the requirements set forth in the Scope of Services. Appendix A
Scope of Services

1. Background

Known as the "Cruise Capital of the World," PortMiami is the world's busiest cruise port and home to many of the world's most distinguished cruise lines. Approximately 4 million cruise passengers travel through the Port annually. PortMiami's world class terminals and facilities are among the most modern in the cruise industry and provide for quick and easy passenger processing. Recently Norwegian Cruise Line ("NCL") and Royal Caribbean Cruises Ltd. ("RCCL") expressed interest in procuring pier check-in services via the County. In January 2009, NCL and the County entered into a Cruise Terminal Agreement (CTA) via Resolution No. R-1442-08. This agreement set forth the terms and conditions under which NCL would home port its vessels at Miami. Among its provisions was reference to the County's future offerings of, or access to, certain additional services for which NCL would pay the County. In April 2012, the Board of County Commissioners (Board) approved Resolution No. R-295-12, which authorized the execution of Amendment 1 to the CTA. This Amendment extended the term of the CTA, increased passenger guarantees, and provided incentives for NCL to homeport its new Norwegian Gateway year-round in Miami. Among these incentives was the County's commitment to establish a pool of qualified screening or pier check-in service providers.

The County has established a Pier Check-In Services Pool (Pool) of pre-qualified firms to provide pier check-in services to interested cruise lines which include, but are not limited to, providing embarkation and debarkation staff to process passengers, coordination with governmental agencies, processing of passengers for boarding, and producing turnaround reports and passenger manifests. Participation in this pool will be an option to all cruise lines calling at PortMiami. Each individual cruise line wanting to access the Pool will need to have separate Board-approved Access Agreement with the County.

2. Work Order Process

A. Structure of Pool

The County has established a Pool of contractors to provide these services. Contractors shall sign an agreement with the County to participate in the Pool. The agreement will be supplemented, upon project award, by individual Work Orders, for providing the services to any cruise lines requesting the services. Selection into the Pool does not guarantee work and does not provide for exclusive rights to provide these services to the County.

At the County's discretion, Contractors may be dropped from the Pool for poor performance on a Work Order, lack of participation, which shall include failure over a reasonable time to propose on Work Order Proposal Requests (WOPR), offered through the Pool, being in arrears in obligations to the County, and any other reason specified by County policies and procedures.

B. Assignment of Cruise Lines

Membership in the Pool is a prerequisite for having an opportunity to submit proposals and obtain work through this Pool. After selection into the Pool, when a request for check-in services arises, the County will provide Pool members with information regarding the selection process and response requirements, to include written proposals and potentially oral presentations. Recommendations for competitive awards will be made generally based on quality and/or price. The County reserves the right to establish an alternate, streamlined method for assigning cruise lines.

Pier Check-In Service requests will include potentially any Cruise Line at the Port. Services through the Pool will be offered to all cruise lines at the Port. Cruise Lines

requesting the services from the County, will use the Pool, except for cause as approved by the County. It is a requirement for the respective cruise line to have a Board-approved Access Agreement with the County, in order to utilize this Pier Check-In Services Pool.

C. Award

The County reserves the right to enter into negotiations with the recommended Pool members. If the County and the recommended Pool member cannot negotiate a successful agreement, the County may terminate said negotiations and begin negotiations with the next highest ranked Pool member. No Pool member shall have any rights against the County, arising from such negotiations.

D. Award of Additional Services

The County reserves the right to award additional services for, and updates to, a previously awarded Work Order to the same Pool member that was awarded the original Work Order.

3. Requirements and Services to be Provided

 - (3) That an administrative hearing shall be conducted before an administrative hearing officer on a date and time not to exceed thirty (30) business days after service of the notice. The notice shall also advise the covered employer that they may be represented by an attorney, may present documentary evidence and verbal testimony, and may cross-examine or rebut evidence and testimony presented against them; and,
 - (4) A description of the effect of the issuance of the notice of the proposed administrative hearing and the potential effect(s) of this administrative hearing.

Appendix C

- D. No later than seven (7) days prior to the scheduled hearing date, the covered employer must furnish the compliance officer a list of the defenses the covered employer intends to present at the administrative hearing. If the covered employer fails to submit such list, in writing, at least seven (7) days prior to the administrative hearing, or fails to seek an extension of time within which to do so, the covered employer shall be deemed to have waived the opportunity to be heard at the administrative hearing. The administrative hearing officer shall have the right to grant or deny an extension of time, and the decision may only be reviewed upon an abuse of discretion.

Copies of the hearing tape or transcript shall be furnished at the expense and request of the requesting party. The cost of such transcription may be assessed, by the hearing officer, against a service contractor that has been found to violate Section 2-8.9.

In addition to the payment of penalties and back wages, the County Manager may debar, for a period not to exceed five (5) years, a service contractor or subcontractor and the principal owners and/or qualifying agents thereof found to have violated the requirements of Section 2-8.9 a second time. If the County Manager determines a covered employer failed to comply with these provisions a third time, the non-complying covered employer's service contract with the County may be terminated.
- G. The County Manager may order the withheld amount equal to any underpayment remitted to the employee. In addition, the County Manager may order payment of a penalty to the County. If the required payment is not made within a reasonable period of time, the County Manager may order debarment as described above.

A breach of the clauses contained in this Supplemental General Condition shall be deemed a breach of this contract and may be grounds for termination of the contract, and for debarment, and any other remedies available to the County.

The Contractor shall pay all claims and losses in connection therewith and shall investigate and defend all claims, suits or actions of any kind or nature in the name of the County, where applicable, including appellate proceedings, and shall pay all costs, judgments, and attorney's fees which may issue thereon. Upon County's notification, the Contractor shall furnish to the Internal Services Department, Procurement Management Division, Certificates of Insurance that indicate that insurance coverage has been obtained, which meets the requirements as outlined below:

The insurance coverage required shall include those classifications, as listed in standard liability insurance manuals, which most nearly reflect the operation of the Contractor. All insurance policies required above shall be issued by companies authorized to do business under the laws of the State of Florida with the following qualifications:

The company must be rated no less than "A" as to management, and no less than "Class VII" as to financial strength by Best Insurance Guide, published by A.M. Best Company, Oldwick, New Jersey, or its equivalent, subject to the approval of the County Risk Management Division.

OR

Compliance with the foregoing requirements shall not relieve the Contractor of this liability and obligation under this section or under any other section in this Agreement.

Award of this Contract is contingent upon the receipt of the insurance documents, as required, within ten (10) business days. If the insurance certificate is received within the specified timeframe but not in the manner prescribed in this Agreement, the Contractor shall have an additional five (5) business days to submit a corrected certificate to the County. If the Contractor fails to submit the required insurance documents in the manner prescribed in this Agreement within fifteen (15) business days, the Contractor shall be in default of the contractual terms and conditions and award of the Contract may be rescinded, unless such timeframe for submission has been extended by the County.

The Contractor shall be responsible for ensuring that the insurance certificates required in conjunction with this Section remain in force for the duration of the contractual period of the Contract, including any and all option years or extension periods that may be granted by the County. If insurance certificates are scheduled to expire during the contractual period, the Contractor shall be responsible for submitting new or renewed insurance certificates to the County at a minimum of thirty (30) calendar days in advance of such expiration. In the event that expired certificates are not replaced with new or renewed certificates which cover the contractual period, the County shall suspend the Contract until such time as the new or renewed certificates are received by the County in the manner prescribed herein; provided, however, that this suspended period does not exceed thirty (30) calendar days. The Contractor shall exercise control over the means and manner in which it and its employees perform the work, and in all respects the Contractor's relationship and the relationship of its employees to the County shall be that of an independent contractor and not as employees and agents of the County.

Any such dispute shall be brought, if at all, before the County Mayor within 10 days of the occurrence, event or act out of which the dispute arises.
- e) The County Mayor may base this decision on such assistance as may be desirable, including advice of experts, but in any event shall base the decision on an independent and objective determination of whether Contractor's performance or any Deliverable meets the requirements of this Agreement and any specifications with respect thereto set forth herein. The effect of any decision shall not be impaired or waived by any negotiations or settlements or offers made in connection with the dispute, whether or not the County Mayor participated therein, or by any prior decision of others, which prior decision shall be deemed subject to review, or by any termination or cancellation of the Agreement. All such disputes shall be submitted in writing by the Contractor to the County Mayor for a decision, together with all evidence and other pertinent information in regard to such questions, in order that a fair and impartial decision may be made.

All Subcontractors are required to protect the confidentiality of the County's and County's proprietary and confidential information. Contractor shall furnish to the County copies of all subcontracts between Contractor and Subcontractors and suppliers hereunder. Within each such subcontract, there shall be a clause for the benefit of the County in the event the County finds the Contractor in breach of this Contract, permitting the County to request completion by the Subcontractor of its performance obligations under the

Scope of Services

1. Background

Known as the "Cruise Capital of the World," PortMiami is the world's busiest cruise port and home to many of the world's most distinguished cruise lines. Approximately 4 million cruise passengers travel through the Port annually. PortMiami's world class terminals and facilities are among the most modern in the cruise industry and provide for quick and easy passenger processing. Recently Norwegian Cruise Line ("NCL") and Royal Caribbean Cruises Ltd. ("RCCL") expressed interest in procuring pier check-in services via the County. In January 2009, NCL and the County entered into a Cruise Terminal Agreement (CTA) via Resolution No. R-1442-08. This agreement set forth the terms and conditions under which NCL would home port its vessels at Miami. Among its provisions was reference to the County's future offerings of, or access to, certain additional services for which NCL would pay the County. In April 2012, the Board of County Commissioners (Board) approved Resolution No. R-295-12, which authorized the execution of Amendment 1 to the CTA. This Amendment extended the term of the CTA, increased passenger guarantees, and provided incentives for NCL to homeport its new Norwegian Gateway year-round in Miami. Among these incentives was the County's commitment to establish a pool of qualified screening or pier check-in service providers.

The County has established a Pier Check-In Services Pool (Pool) of pre-qualified firms to provide pier check-in services to interested cruise lines which include, but are not limited to, providing embarkation and debarkation staff to process passengers, coordination with governmental agencies, processing of passengers for boarding, and producing turnaround reports and passenger manifests. Participation in this pool will be an option to all cruise lines calling at PortMiami. Each individual cruise line wanting to access the Pool will need to have separate Board-approved Access Agreement with the County.

2. Work Order Process

A. Structure of Pool

The County has established a Pool of contractors to provide these services. Contractors shall sign an agreement with the County to participate in the Pool. The agreement will be supplemented, upon project award, by individual Work Orders, for providing the services to any cruise lines requesting the services. Selection into the Pool does not guarantee work and does not provide for exclusive rights to provide these services to the County.

At the County's discretion, Contractors may be dropped from the Pool for poor performance on a Work Order, lack of participation, which shall include failure over a reasonable time to propose on Work Order Proposal Requests (WOPR), offered through the Pool, being in arrears in obligations to the County, and any other reason specified by County policies and procedures.

B. Assignment of Cruise Lines

Membership in the Pool is a prerequisite for having an opportunity to submit proposals and obtain work through this Pool. After selection into the Pool, when a request for check-in services arises, the County will provide Pool members with information regarding the selection process and response requirements, to include written proposals and potentially oral presentations. Recommendations for competitive awards will be made generally based on quality and/or price. The County reserves the right to establish an alternate, streamlined method for assigning cruise lines.

Pier Check-In Service requests will include potentially any Cruise Line at the Port.

Services through the Pool will be offered to all cruise lines at the Port. Cruise Lines requesting the services from the County, will use the Pool, except for cause as approved by the County. It is a requirement for the respective cruise line to have a Board-approved Access Agreement with the County, in order to utilize this Pier Check-In Services Pool.

C. Award

The County reserves the right to enter into negotiations with the recommended Pool members. If the County and the recommended Pool member cannot negotiate a successful agreement, the County may terminate said negotiations and begin negotiations with the next highest ranked Pool member. No Pool member shall have any rights against the County, arising from such negotiations.

D. Award of Additional Services

The County reserves the right to award additional services for, and updates to, a previously awarded Work Order to the same Pool member that was awarded the original Work Order.

3. Requirements and Services to be Provided

Scope of Services

1. Background

Known as the "Cruise Capital of the World," PortMiami is the world's busiest cruise port and home to many of the world's most distinguished cruise lines. Approximately 4 million cruise passengers travel through the Port annually. PortMiami's world class terminals and facilities are among the most modern in the cruise industry and provide for quick and easy passenger processing. Recently Norwegian Cruise Line ("NCL") and Royal Caribbean Cruises Ltd. ("RCCL") expressed interest in procuring pier check-in services via the County. In January 2009, NCL and the County entered into a Cruise Terminal Agreement (CTA) via Resolution No. R-1442-08. This agreement set forth the terms and conditions under which NCL would home port its vessels at Miami. Among its provisions was reference to the County's future offerings of, or access to, certain additional services for which NCL would pay the County. In April 2012, the Board of County Commissioners (Board) approved Resolution No. R-295-12, which authorized the execution of Amendment 1 to the CTA. This Amendment extended the term of the CTA, increased passenger guarantees, and provided incentives for NCL to homeport its new Norwegian Gateway year-round in Miami. Among these incentives was the County's commitment to establish a pool of qualified screening or pier check-in service providers.

The County has established a Pier Check-In Services Pool (Pool) of pre-qualified firms to provide pier check-in services to interested cruise lines which include, but are not limited to, providing embarkation and debarkation staff to process passengers, coordination with governmental agencies, processing of passengers for boarding, and producing turnaround reports and passenger manifests. Participation in this pool will be an option to all cruise lines calling at PortMiami. Each individual cruise line wanting to access the Pool will need to have separate Board-approved Access Agreement with the County.

2. Work Order Process

A. Structure of Pool

The County has established a Pool of contractors to provide these services. Contractors shall sign an agreement with the County to participate in the Pool. The agreement will be supplemented, upon project award, by individual Work Orders, for providing the services to any cruise lines requesting the services. Selection into the Pool does not guarantee work and does not provide for exclusive rights to provide these services to the County.

At the County's discretion, Contractors may be dropped from the Pool for poor performance on a Work Order, lack of participation, which shall include failure over a reasonable time to propose on Work Order Proposal Requests (WOPR), offered through the Pool, being in arrears in obligations to the County, and any other reason specified by County policies and procedures.

B. Assignment of Cruise Lines

Membership in the Pool is a prerequisite for having an opportunity to submit proposals and obtain work through this Pool. After selection into the Pool, when a request for check-in services arises, the County will provide Pool members with information regarding the selection process and response requirements, to include written proposals and potentially oral presentations. Recommendations for competitive awards will be made generally based on quality and/or price. The County reserves the right to establish an alternate, streamlined method for assigning cruise lines.

Pier Check-In Service requests will include potentially any Cruise Line at the Port.

Services through the Pool will be offered to all cruise lines at the Port. Cruise Lines requesting the services from the County, will use the Pool, except for cause as approved by the County. It is a requirement for the respective cruise line to have a Board-approved Access Agreement with the County, in order to utilize this Pier Check-In Services Pool.

C. Award

The County reserves the right to enter into negotiations with the recommended Pool members. If the County and the recommended Pool member cannot negotiate a successful agreement, the County may terminate said negotiations and begin negotiations with the next highest ranked Pool member. No Pool member shall have any rights against the County, arising from such negotiations.

If the insurance certificate is received within the specified timeframe but not in the manner prescribed in this Agreement, the Contractor shall have an additional five (5) business days to submit a corrected certificate to the County. If the Contractor fails to submit the required insurance documents in the manner prescribed in this Agreement within fifteen (15) business days, the Contractor shall be in default of the contractual terms and conditions and award of the Contract may be rescinded, unless such timeframe for submission has been extended by the County.

Scope of Services

1. Background

Known as the "Cruise Capital of the World," PortMiami is the world's busiest cruise port and home to many of the world's most distinguished cruise lines. Approximately 4 million cruise passengers travel through the Port annually. PortMiami's world class terminals and facilities are among the most modern in the cruise industry and provide for quick and easy passenger processing. Recently Norwegian Cruise Line ("NCL") and Royal Caribbean Cruises Ltd. ("RCCL") expressed interest in procuring pier check-in services via the County. In January 2009, NCL and the County entered into a Cruise Terminal Agreement (CTA) via Resolution No. R-1442-08. This agreement set forth the terms and conditions under which NCL would home port its vessels at Miami. Among its provisions was reference to the County's future offerings of, or access to, certain additional services for which NCL would pay the County. In April 2012, the Board of County Commissioners (Board) approved Resolution No. R-295-12, which authorized the execution of Amendment 1 to the CTA. This Amendment extended the term of the CTA, increased passenger guarantees, and provided incentives for NCL to homeport its new Norwegian Gateway year-round in Miami. Among these incentives was the County's commitment to establish a pool of qualified screening or pier check-in service providers.

The County has established a Pier Check-In Services Pool (Pool) of pre-qualified firms to provide pier check-in services to interested cruise lines which include, but are not limited to, providing embarkation and debarkation staff to process passengers, coordination with governmental agencies, processing of passengers for boarding, and producing turnaround reports and passenger manifests. Participation in this pool will be an option to all cruise lines calling at PortMiami. Each individual cruise line wanting to access the Pool will need to have separate Board-approved Access Agreement with the County.

2. Work Order Process

A. Structure of Pool

The County has established a Pool of contractors to provide these services. Contractors shall sign an agreement with the County to participate in the Pool. The agreement will be supplemented, upon project award, by individual Work Orders, for providing the services to any cruise lines requesting the services. Selection into the Pool does not guarantee work and does not provide for exclusive rights to provide these services to the County.

At the County's discretion, Contractors may be dropped from the Pool for poor performance on a Work Order, lack of participation, which shall include failure over a reasonable time to propose on Work Order Proposal Requests (WOPR), offered through the Pool, being in arrears in obligations to the County, and any other reason specified by County policies and procedures.

B. Assignment of Cruise Lines

Membership in the Pool is a prerequisite for having an opportunity to submit proposals and obtain work through this Pool. After selection into the Pool, when a request for check-in services arises, the County will provide Pool members with information regarding the selection process and response requirements, to include written proposals and potentially oral presentations. Recommendations for competitive awards will be made generally based on quality and/or price. The County reserves the right to establish an alternate, streamlined method for assigning cruise lines.

Pier Check-In Service requests will include potentially any Cruise Line at the Port.

Services through the Pool will be offered to all cruise lines at the Port. Cruise Lines requesting the services from the County, will use the Pool, except for cause as approved by the County. It is a requirement for the respective cruise line to have a Board-approved Access Agreement with the County, in order to utilize this Pier Check-In Services Pool.

C. Award

The County reserves the right to enter into negotiations with the recommended Pool members. If the County and the recommended Pool member cannot negotiate a successful agreement, the County may terminate said negotiations and begin negotiations with the next highest ranked Pool member. No Pool member shall have any rights against the County, arising from such negotiations.

D. Award of Additional Services

The County reserves the right to award additional services for, and updates to, a previously awarded Work Order to the same Pool member that was awarded the original Work Order.

3. Requirements and Services to be Provided

TWIC was established by Congress through the Maritime Transportation Security Act (MTSA) and is administered by the Transportation Security Administration (TSA) and U.S. Coast Guard. In order to preserve the rights of the affected workers under Section 2-8.9, the project manager may withhold or cause to be withheld from the service contractor under this agreement so much of the accrued payments or advances as may be considered necessary to pay employees of the covered employer the full amount of wages required by the contract. In the event of failure to pay any covered employee, employed or working on the project, all or part of the wages required by the contract, the project manager may, after written notice to the service contractor, take such action as may be necessary to cause the suspension of any further payment, until such violations have ceased. The withheld monies shall be remitted to the covered employee only in accordance with the provisions of Section 6, "Complaints and Hearings; Contract Termination and Debarment".

- E. The covered employer shall make the records required to be kept hereunder available for inspection, copying or transcription by an authorized representative of the County, and shall permit such representative to interview employees during working hours on the job. Failure to submit the required reports upon request or to make records available may be grounds for debarment. The service contractor is responsible for the submission of the information required hereunder and

for the maintenance of records and provision of access to same by all subcontractors.

5. SUBCONTRACTS

The service contractor shall insert in any subcontracts the clauses set forth in paragraphs 1 through 6 of this provision and also a clause requiring the subcontractors to include these clauses in any subcontracts. The service contractor shall be responsible for compliance by any subcontractor with the clauses set forth in paragraphs 1 through 6 of this provision.

Upon the receipt of a written appeal, the compliance officer shall notify the County Manager in writing and the County Manager shall appoint an administrative hearing officer and set a time for an administrative hearing. Failure to appeal within the specified time shall be considered a waiver of the appeal process provided for in Section 3.A and an admission of the complaint/violation.
- B. Notification of hearing date shall be served by the compliance officer upon the covered employer against whom the complaint is made within ten (10) working days of the appointment of the administrative hearing officer. Such notice shall be by certified mail, return receipt requested. Such notice shall include:

 - (3) That an administrative hearing shall be conducted before an administrative hearing officer on a date and time not to exceed thirty (30) business days after service of the notice. The notice shall also advise the covered employer that they may be represented by an attorney, may present documentary evidence and verbal testimony, and may cross-examine or rebut evidence and testimony presented against them; and,

- D. No later than seven (7) days prior to the scheduled hearing date, the covered employer must furnish the compliance officer a list of the defenses the covered employer intends to present at the administrative hearing. If the covered employer fails to submit such list, in writing, at least seven (7) days prior to the administrative hearing, or fails to seek an extension of time within which to do so, the covered employer shall be deemed to have waived the opportunity to be heard at the administrative hearing. The administrative hearing officer shall have the right to grant or deny an extension of time, and the decision may only be reviewed upon an abuse of discretion.
- E. Hearsay evidence shall be admissible at the administrative hearing, but shall not form the sole basis for finding a violation of Section 2-8.9. The administrative hearing shall be transcribed, taped or otherwise recorded by a court reporter, at the election of the administrative hearing officer and at the expense of the County. Copies of the hearing tape or transcript shall be furnished at the expense and request of the requesting party. The cost of such transcription may be assessed, by the hearing officer, against a service contractor that has been found to violate Section 2-8.9.
- F. In addition to the payment of penalties and back wages, the County Manager may debar, for a period not to exceed five (5) years, a service contractor or subcontractor and the principal owners and/or qualifying agents thereof found to have violated the requirements of Section 2-8.9 a second time. If the County Manager determines a covered employer failed to comply with these provisions a third time, the non-complying covered employer's service contract with the County may be terminated.
- G. The County Manager may order the withheld amount equal to any underpayment remitted to the employee. In addition, the County Manager may order payment of a penalty to the County. If the required payment is not made within a reasonable period of time, the County Manager may order debarment as described above.

A breach of the clauses contained in this Supplemental General Condition shall be deemed a breach of this contract and may be grounds for termination of the contract, and for debarment, and any other remedies available to the County.

Subject: Report of Evaluation/Selection Committee for RFQ No. 869, Pier Check-In Services Pool

The County issued a solicitation to obtain proposals from experienced management companies to provide Pier Check-In Services at PortMiami. These services will include, but are not limited to, providing staff to process passengers for embarkation and debarkation, coordinate with governmental agencies, and produce turnaround reports and passenger manifests. Participation in this Pier Check-in Services Pool (the Pool) will be an option to all cruise lines calling at PortMiami. A cruise line wishing to access the Pool will need to have a Board of County Commissioners-approved Access Agreement with the County.

The Evaluation/Selection Committee (Committee) has completed the evaluation of proposals submitted in response to the solicitation following the guidelines published in the solicitation.

Committee meeting dates:

July 25, 2013 (kick-off meeting)

August 26, 2013 (evaluation meeting, scoring, and recommendations)

Verification of compliance with contract measures:

Not applicable since no contract measures were assigned to this solicitation.

Verification of compliance with minimum qualification requirements:

The solicitation did not have any minimum qualification requirements.

Local Certified Service-Disabled Veteran's Business Enterprise Preference:

Veteran's Preference was considered in accordance with the applicable ordinance. None of the proposers qualified for the preference.

Summary of scores:

The final scores are as follows:

Proposer	Technical Score (max.375)	Price Score (max.125)	Total Combined Score (max.500)
1. Intercruises Shoreside & Port Services	367	108	475
2. SMS International Shore Operations US, Inc.	361	105	466
3. American Guard Services, Inc. d/b/a Worldwide Sourcing Solutions, LLC	308	93	401
4. Americas Gateway Transportation, Inc. d/b/a Cruiseport Destinations, Inc.	281	94	375

Price was submitted based on the approximate hourly rates for Check-In Personnel, and daily rates for Supervisors/Managers, and Team/Account Leaders. The rates also included rates for holidays and non-holidays. The Price/Cost submitted is presented below:

Maximum Price/Cost Submitted						
Proposers	Check-In Personnel (hourly rates)		Supervisor/Manager (daily rates)		Team/Account Leader (daily rates)	
	Non- Holidays	Holidays	Non- Holidays	Holidays	Non- Holidays	Holidays
Intercruises Shoreside & Port Services	\$19.75	\$22.60	\$280.00	\$308.00	No Charge	No Charge
SMS International Shore Operations US, Inc.	\$19.50	\$29.00	\$225.00	\$340.00	\$180.00	\$270.00
American Guard Services, Inc. d/b/a Worldwide Sourcing Solutions, LLC	\$19.92	\$29.88	\$250.00	\$375.00	\$300.00	\$450.00
Americas Gateway Transportation, Inc. d/b/a Cruiseport Destinations, Inc.	\$19.98	\$29.97	\$224.82	\$224.82	\$287.50	\$287.50

The Committee decided not to hold oral presentations as the proposals did not require further clarification.

Local Preference:

Local Preference was considered in accordance with applicable ordinance, but did not affect the outcome as the highest ranked proposer, Intercruises Shoreside & Port Services is a local firm and meets the requirement for Local Preference.

Negotiations:

Negotiations will not be held since all recommended proposers will be offered participation in the pool. The Committee recommended the four firms (Intercruises Shoreside & Port Services, Inc., SMS International Shore Operations US, Inc., American Guard Services, Inc. d/b/a Worldwide Sourcing Solutions, LLC, and Americas Gateway Transportation, Inc., d/b/a Cruiseport Destinations, Inc.) to be considered for inclusion in the pool.

The proposals included prices that are acceptable as maximum rates for the contracts. The actual rates will be negotiated, and will not exceed the contractually established ceiling, at the individual Work Order stage, when a request for pier check-in services arises.

Consensus Statement:

The Committee determined that the firms scoring 70% and above (i.e., 350 out of the available 500 points for technical and price), have the necessary qualifications, relevant experience, technical capacity, trained personnel, and strong project management experience required to provide the services to meet the needs of the County and the Cruise Lines. All four firms met the threshold and will participate in the pool.
